

## ***Directions to Katonah United Methodist Church.***

From the south:

Take 684 or the Saw Mill River Parkway north to the Katonah/Cross River Exit.

At the end of the ramp is a light. Turn left onto Route 35. As you cross the expressway, you'll go straight through a light almost immediately. At the second light turn left onto Woodsbridge Road. The intersection has a stone cliff looming over it on the left. Follow Woodsbridge Road (which will automatically become Bedford Road) for 1/4 mile. At the point where the road divides and becomes a boulevard, you've arrived. On the right at this point is the Katonah UMC. It's made of round field stones.

From the north:

Take 84 to 684 and head south to the Katonah/Cross River exit. At the end of the ramp is a light. Turn right onto Route 35. Immediately at the first light turn left onto Woodsbridge Road. The intersection has a stone cliff looming over it on the left. Follow Woodsbridge Road (which will automatically become Bedford Road) for 1/4 mile. At the point where the road divides and becomes a boulevard, you've arrived. On the right at this point is the Katonah UMC. It's made of round field stones.

From the west:

Head east on route 35. When you cross route 100, it's time to pay attention. You'll soon cross a bridge over the Muscoot Reservoir. There's a light at the far end of the bridge. Go straight through this light and turn right at the next light in 1/2 mile onto Woodsbridge Road. Follow Woodsbridge Road (which will automatically become Bedford Road) for 1/4 mile. At the point where the road divides and becomes a boulevard, you've arrived. On the right at this point is the Katonah UMC. It's made of round field stones.

From the east:

Head west on route 35. As you cross route 22, it's time to pay attention. You're about to cross 684. You'll go straight through two lights at the entrances of 684. 1/10 mile past this is a light. At this light, turn left onto Woodsbridge Road (which will automatically become Bedford Road). The intersection has a stone cliff looming over it on the left. Follow Woodsbridge Road for 1/4 mile. At the point where the road divides and becomes a boulevard, you've arrived. On the right at this point is the Katonah UMC. It's made of round field stones.

### ***Parking***

Parking on the street is limited to 2 hours. Clark's Funeral Home is permitting us to use their parking lot which is across Bedford Road from the church. Clark's is 2 doors north of the Church on Bedford Road on the same side of the street as the church. The parking lot is directly across the road, tucked into the woods.
